Description

Mere Brow Wood is a rich and varied broadleaved woodland with many different tree species; a fantastic habitat for a wide array of birds and other wildlife.

Fissured old [oaks](#) are interspersed with [sycamore](#), ash, [beech](#) and [goat willow](#), whilst wych elm, [hazel](#) and [birch](#) are growing up beneath. Bright sunny clearings are verdant, in the summer, with the green foliage of buttercup, nettle, bramble and wild raspberries. These give way to areas where the floor is clearer and [honeysuckle](#) tendrils creep upwards towards the sun on any support, fragrant flowers blooming where it catches most light. This patchwork of habitat is excellent for foraging and nesting birdlife.

The purchasers of the woodland will be asked to enter into a [covenant](#) to ensure the quiet and peaceful enjoyment of adjoining woodlands and meadows.

Trees

Oak beech, sycamore, ash, hazel, wych elm, hawthorn, alder, willow and elder.

Wildlife

A wide range of woodland birdlife is resident in Mere Brow Wood; [wren](#), [chaffinch](#), [spotted flycatcher](#), [redstart](#), [treecreeper](#) and [nuthatch](#) to name just a few.

Other wildlife is also abundant with evidence of roe deer and other mammals visible to the spotter.

Features

- A rare stand-alone woodland.
- Varied tree species.
- Great for wildlife.
- A perfect Lancashire getaway

Access, tracks and footpaths

Access to the wood is currently on foot from the layby on Mere Lane at the southern edge of the wood. The new owner may like to consider improving the vehicle access from this lane, with appropriate permissions. It is easy to get about on foot within the wood.

There is also a clearing for parking which can be accessed using the track leading to Bannister House Fishery; follow the track around the sharp left bend, before turning left into the small clearing.

Rights and covenants

The sporting rights are included in the sale.

Our standard [covenant](#) will not apply.

The purchasers of the woodland will be asked to enter into a [covenant](#) to ensure the quiet and peaceful enjoyment of adjoining woodlands and meadows.

Activities

Great for conservation projects and greenwood crafts.

Being of a larger size, the wood would suit a wide variety of uses.

Local area and history

Mere Brow Wood is located within a few miles of the Lancashire coast, close to Southport with its famously long [beach](#) and [botanic gardens](#). Other places to visit in the local area include the RSPB nature reserve [Hesketh Out Marsh](#), lies just to the north and the National Trust own the stunning Tudor / Jacobean manor [Rufford Old Hall](#), 3 miles to the east.

How to find this woodland

You are welcome to visit this wood by yourself, but please ensure that you have a copy of these sales details with you - many of our woodlands do not have mobile phone reception or internet access so we recommend either printing the details or downloading them to your phone/tablet/laptop.

Do remember to also check that it is still available for sale. If you have seen the woodland and wish to be accompanied on a

second more detailed visit please contact our local manager.

Directions

Just 8 miles from Southport, 8 miles from Ormskirk and 13 miles from Preston.
